DETAILED ACTION

Allowable Subject Matter

1. Claims *1-5, 7-13, 15-17 and 19-20* are allowed.

REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance:

The prior art of record does not teach or suggest individually or in combination the following:

rebooting each of the cluster members while at least one of the cluster members remains active while the other cluster members are being rebooted, removing the cluster member being rebooted and determining when the removed cluster member has been rebooted.

For these reasons claims *1, 9, 17 and 20* are deemed to be allowable over the prior art of record, and claims *2-5, 7-8, 10-13, 15-16 and 19* are allowable by dependency.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
